Source: Insight Investment and Rimes. All performance is annualised. Fund performance is shown for share class 3 and is calculated in Sterling as total return, including reinvested income, gross of fees and expenses. Gross of fees performance results do not reflect the deduction of charges, including taxes, which will reduce investors' returns. Benchmark performance shown is for SONIA (previously 7-day GBP LIBID until 1st October 2020). Past performance is not a guide to future performance. The value of investments and any income from them will fluctuate and is not guaranteed (this may be partly due to exchange rate fluctuations). Investors may not get back the full amount invested.
